Summer 2007

Lee County  
Parks and Recreation

**G**reetings camp participants past, present and future! It is that time once again to start thinking about summer and what kind of fun you are going to have. San-Lee Park Summer Camps are outdoor, nature based camps. As always, we want to teach our campers about nature and how to appreciate it but we want to have fun too! Children who come to camp will participate in age old camp activities such as crafts, hikes, and games. But, while at San-Lee Park they will also learn life skills such as canoeing and fishing. In the process of having fun, they will learn about the world around them. Each week we have a different theme that we incorporate into our activities, allowing children to attend more than one week of camp without activities and information being repetitive. We offer half and full day camps as well as an early drop off, late pick up (for an extra fee) for your convenience.

### Half Day Camps

**Who:** Children ages 4-7 years old

**Time:** 9-12pm

**Price:** \$40/week

Campers need to bring a snack and drink.

### Full Day Camps

**Who:** Children ages 4-12 years old

**Price:** \$70/week

Full day campers will participate in a fun day Friday which may include going on a field trip to a museum in Raleigh or going bowling in the morning and to the pool in the afternoon. Parents will know by the middle of the week what Friday's plans are.

### Wind Up/Wind Down

This is our early drop off/ late pick up option for working parents.

For an extra \$10 a week (\$1 for each morning, \$1 for each afternoon) parents can drop their children off at 8am and pick them up at 5pm. Children who participate in wind up/wind down will be supervised in quiet activities.
